

Sestavine in alergeni Subway®

Informacije o sestavinah temeljijo na najnovejših podatkih, ki jih predložijo izdelovalci prehranskih izdelkov.

Čeprav si zelo prizadevamo, da bi bil ta seznam povsem posodobljen, se lahko sestavine rahlo razlikujejo, kar je odvisno od sezone, spremembe recepture ali uporabe drugih dobaviteljev prehranskih izdelkov. Ne pozabite, da lahko obrati za izdelavo hrane predelujejo druge alergene, ki niso navedeni na spodnjih izjavah o sestavinah; ti obrati imajo lahko uvedenih več korakov za odpravljanje navzkrižne kontaminacije s temi alergeni.

POZOR: posamezni prehranski izdelki lahko pridejo v medsebojen stik med pripravo hrane, česar ne obravnavamo v tem dokumentu. O svoji alergiji obvestite pripravljalca sendvičev.
